

EDUCATION

- **Tyler Junior College**, actively engaged in Associate Physics Study
- **Central Vo-Tech**, AutoCAD & CADCam
- **MLC CAD**, Solidworks

SOFTWARE PROFICIENCY

- AutoCAD
- Civil 3D
- RapidPlan
- Solidworks
- Autodesk Inventor
- Microsoft Office

SKILLS

- Analytical thinking, planning
- Organization and prioritization
- Problem solving

Josh brings five plus years of experience in construction and CAD services. His diversity in experience gives him unique insights into his CAD work. He has been a vital resource for Atlas in the City of Austin, supporting our staff augmentation role by providing required Civil 3D and AutoCAD drawings for the city’s Traffic Control detail. He is also active in Atlas private land development work supporting site plan drawings.

WORK EXPERIENCE
